

ALUMNI REUNIONS -

- P.C.I.E.T, Alumni Reunions has always put people in pleasure, where they get back to their time old golden memories. Meeting their mates after long ages makes them reminisce a lot about their association with the college and friends.
- When people come back they take ownership about their college and pass their feel of student hood to their spouse and children. Moreover, they take college tour and bring the events of past in live.
- Beyond all these, this reunion brings in new opportunities for students as many alumni are entrepreneurs. This paves way for student recruitment and thus adds to college placement results. Other alumni also play their role as mentors, where they provide financial and other support for students in need.
